Beastform

Mark a Stress to magically transform into a creature of your tier or lower from the Beastform list. You can drop out of this form at any time. While transformed, you can't use weapons or cast spells from domain cards, but you can still use other features or abilities you have access to. Spells you cast before you transform stay active and last for their normal duration, and you can talk and communicate as normal. Additionally, you gain the Beastform's features, add their Evasion bonus to your Evasion, and use the trait specified in their statistics for your attack. While you're in a Beastform, your armor becomes part of your body and you mark Armor Slots as usual; when you drop out of a Beastform, those marked Armor Slots remain marked. If you mark your last Hit Point, you automatically drop out of this form.

Wildtouch

You can perform harmless, subtle effects that involve nature—such as causing a flower to rapidly grow, summoning a slight gust of wind, or starting a campfire—at will.

Ranger Companion

Name: _____

Experiences

Make a Spellcast Roll to connect with your companion and command them to take action. Spend a Hope to add an applicable Companion Experience to the roll. On a success with Hope, if your next action builds on their success, you gain advantage on the roll.

Creation

Work with the GM to decide what kind of animal you have as your companion. Give them a name and draw or attach a picture of them in the space above. Then create two Experiences for your companion based on their training and the history you have together. Finally, describe their method of dealing damage (their standard attack) and record it in the "Attack & Damage" section. Their damage starts at d6 and their range starts at Melee.

Start with +2 in two Experiences. Whenever you gain a new Experience, your companion also gains one. All new Experiences start at +2.

Example Companion Experiences: Bold Distraction, Expert Climber, Fetch, Friendly, Guardian of the Forest, Horrifying, Intimidating, Loyal Until the End, Navigation, Nimble, Nobody Left Behind, On High Alert, Protective, Royal Companion, Scout, Service Animal, Trusted Mount, Vigilant, We Always Find Them, You Can't Hit What You Can't Find

Training

When your character levels up, choose one available option for your companion from the following list and mark it here.

- ☐☐☐ **Intelligent:** Your companion gains a permanent +1 bonus to a Companion Experience of your choice.
  - ☐ **Light in the Dark:** Use this as an additional Hope slot your character can mark
  - ☐ **Creature Comfort:** Once per rest, when you take time during a quiet moment to give your companion love and attention, you can gain a Hope or you can both clear a Stress.
  - ☐ **Armored:** When your companion takes damage, you can mark one of your Armor Slots instead of marking one of their Stress.
- ☐☐☐ **Vicious:** Increase your companion's damage dice or range by one step (d6 to d8, Close to Far, etc.).
- ☐☐☐ **Resilient:** Your companion gains an additional Stress slot.
  - ☐ **Bonded:** When you mark your last Hit Point, your companion rushes to your side to comfort you. Roll a number of d6s equal to the unmarked Stress slots they have and mark them. If any roll a 6, your companion helps you up. Clear your last Hit Point and return to the scene.
- ☐☐☐ **Aware:** Your companion gains a permanent +2 bonus to their Evasion.
